Teaching/Workshop

2015 /
Collaboration in several workshops through Zirkus Loko-Motiv for children with special needs, of different ages (10-20 år) in Stockholm.

Guided tour and presentation of my installation at Henriksdalsallén for 100 children from Tullgårdsskolan in Stockholm.

2007 /
Artistic research project about children's view on art. In collaboration with architect Maya Mårtensson and the pre-school Gomorrón Sol in Solna. The participating children were 4-6 years old and the project was executed during one term. We visited exhibitions, public artworks and worked in the school's studio.
